S I R:

On 09/15/2008 Applicant miss-filed in this application a document identified in PAIR as "Response to Election / Restriction Filed". This miss-filed document should have been the "correct" document which in fact was the timely response to the restriction requirement of the Office Action of August 25, 2008 [which correct document, other than the date, was identical with the Response filed herewith as part of the Petition for Revival]. However, due to clerical error, the miss-filed document actually filed on 09/15/2008 was for a different (provisional) application as plainly evident therefrom, and this document was titled "Request to Correct Inventorship – Under 37 CFR 1.48(d)" so that it was misnamed in PAIR.

Obviously, the miss-filed document filed 09/15/2008 should be ignored as it has nothing to do with the present application; and if permissible, withdrawal of this miss-filed document from this application is requested.

Respectfully submitted,

Date: March 19, 2009
